Section 1 Disclaimer

To proceed with Self-Referral to Physiotherapy,

- **you MUST be aged 16 years of age or over**
- **have had your symptoms for 6 weeks or more**
- **be able to answer 'no' to the following questions.**

Have you recently or suddenly developed low back pain and/or leg pain with any of the following symptoms?

- A new onset of bladder or bowel incontinence
- New altered sensation around the genitals or back passage
- New loss of sexual function

If you are experiencing any of these symptoms, please seek immediate medical advice by calling 111, attending your nearest Emergency Department (in East Lancashire this is Royal Blackburn Teaching Hospital), or contact your GP practice promptly.

Do you have:

- An extremely painful hot swollen joint.
- Constant severe pain and you are unable to find relief.
- A history of cancer within the past 12 months or are you being actively treated for cancer
- An appointment with, or have you recently been seen by, the Rheumatology, Pain Management Service or any other Hospital Consultant for this problem
- A problem you feel is more of a medical issue

If you are experiencing any of these symptoms, please seek immediate medical advice by calling 111, attending Urgent Care Centre or contact your GP practice promptly.

I confirm I DO NOT have any of the above and I am 16 years of age or older.
Please proceed to Section 2 and complete ALL sections of the form.
