Question 1	What is your organisation's IT spend in FY18/19 and projected for FY19/20?	FY18/19	FY19/20		
	Overall				
	Capital Revenue				
Question 2	Does your organisation outsource any or all of its IT infrastructure?	Yes/No	If yes, who is the main supplier or shared service provider?	If no, please give details:	Annual spend FY18/19
	Desktop management	No			
	Networking Data centre	No No			
	Mobile device management	No			
	Server management IT security	No No			
	Other (please specify)	No			
Question 3	What elements of your IT infrastructure are managed by a cloud provider?	Yes/No/specify	Main supplier	Annual spend FY18/19	Contract renewal date
		res/no/specify	main supplier	Annual spend ( 110/15	contract renewar date
	Data storage	No			
	Networking Back-up and archive	No No			
	Processing and compute capacity	No			
	Application databases Big data analytics databases	No No		L	
	Email and collaboration	No			
<u>i</u>	Other (please specify)	No			
Question 4	Does your organisation plan to move to a cloud-based service in the next 2 years?	N	N-		
	Data storage	Yes	No	Main supplier	Notes
					As renewals/refreshes come around, we will consider this as an optic
	Networking				As renewals/refreshes come around, we will consider this as an optic
	Back-up and archive				As renewals/refreshes come around, we will consider this as an optic
	Processing and compute capacity Application databases				As renewals/refreshes come around, we will consider this as an optic
					As renewals/refreshes come around, we will consider this as an optic
	Big data analytics databases				
		Ver		Minnerf	
	Email and collaboration Other (please specify)	Yes		Microsoft	come around, we will consider this as an optic
	Email and collaboration Other (please specify)	Yes		Microsoft	come around, we will consider this as an optic 36 As renewals/refreshes come around, we will
				Microsoft	come around, we will consider this as an optic 36 As renewals/refreshes come around, we will
Question 5	Other (please specify) What percentage of your servers are virtualised and what virtualisation platform do you use?	Response		Microsoft	come around, we will consider this as an optic 36 As renewals/refreshes come around, we will
Question 5	Other (please specify)			Microsoft	come around, we will consider this as an optio 3 As renewals/refreshes come around, we will
Question 5	Other (please specify) What percentage of your servers are virtualised and what virtualisation platform do you use? What percentage of your servers are virtualised	Response 30%	On premise/Off premise		come around, we will consider this as an optic 30 As renewals/refreshes come around, we will consider this as an optic
Question 5 Question 6	Other (please specify) What percentage of your servers are virtualised and what virtualisation platform do you use? What percentage of your servers are virtualised Virtualisation platform and main supplier	Response 90% VMWare	On premise/Off premise On premise		come around, we will consider this as an optic 36 As renewals/refreshes come around, we will
Question 5 Question 6	Other (please specify) What percentage of your servers are virtualised and what virtualisation platform do you use? What percentage of your servers are virtualised Virtualisation platform and main supplier How does your organisation manage data storage? Local departmental servers In-house data centre	Response 90% VMWare	On premise On premise	Main supplier	come around, we will consider this as an optic 36 As renewals/refreshes come around, we will consider this as an optic Annual spend FY18/19
Question 5 Question 6	Other (please specify) What percentage of your servers are virtualised and what virtualisation platform do you use? What percentage of your servers are virtualised Virtualisation platform and main supplier How does your organisation manage data storage? Local departmental servers	Response 90% VMWare	On premise	Main supplier Local	come around, we will consider this as an optic 30 As renewals/refreshes come around, we will consider this as an optic Annual spend FY18/19 N/A
Question 5 Question 6	Other (please specify) What percentage of your servers are virtualised and what virtualisation platform do you use? What percentage of your servers are virtualised Virtualisation platform and main supplier How does your organisation manage data storage? Local departmental servers In-house data centre Outsourced data centre Outsourced data centre Shared service	Response 90% VMWare	On premise On premise N/A N/A N/A	Main supplier Local	come around, we will consider this as an optic 30 As renewals/refreshes come around, we will consider this as an optic Annual spend FY18/19 N/A
Question 5	Other (please specify) What percentage of your servers are virtualised and what virtualisation platform do you use? What percentage of your servers are virtualised Virtualisation platform and main supplier How does your organisation manage data storage? Local departmental servers In-house data centre Outsourced data centre Outsourced data centre	Response 90% VMWare Please select	On premise On premise N/A N/A N/A N/A	Main supplier Local	come around, we will consider this as an optic 30 As renewals/refreshes come around, we will consider this as an optic Annual spend FY18/19 N/A
Question 5 Question 6 Question 7	Other (please specify) What percentage of your servers are virtualised and what virtualisation platform do you use? What percentage of your servers are virtualised Virtualisation platform and main supplier How does your organisation manage data storage? Local departmental servers In-house data centre Outsoured cloud provider Outsoured data centre Shared service Other (please specify)	Response 90% VMWare	On premise On premise N/A N/A N/A N/A NOTES	Main supplier Local	come around, we will consider this as an optic 30 As renewals/refreshes come around, we will consider this as an optic Annual spend FY18/19 N/A
Question 5 Question 6 Question 7	Other (please specify) What percentage of your servers are virtualised and what virtualisation platform do you use? What percentage of your servers are virtualised Virtualisation platform and main supplier How does your organisation manage data storage? Local departmental servers In-house data centre Outsourced data centre Outsourced data centre Shared service Other (please specify) How many servers does your organisation have and are these owned or leased? Number of servers Owned or leased	Response 90% VMWare Please select 	On premise On premise N/A N/A N/A N/A NOTES	Main supplier Local	come around, we will consider this as an optio 36 As renewals/refreshes come around, we will consider this as an optio Annual spend FY18/19 N/A
Question 5 Question 6 Question 7	Other (please specify) What percentage of your servers are virtualised and what virtualisation platform do you use? What percentage of your servers are virtualised Virtualisation platform and main supplier How does your organisation manage data storage? Local departmental servers In-house data centre Outsourced cloud provider Outsourced data centre Shared service Other (please specify) How many servers does your organisation have and are these owned or leased? Number of servers Owned or leased Average age of servers	Response 90% VMWare Please select Response 140 Owned Between 1 and 5 years	On premise On premise N/A N/A N/A N/A NOTES	Main supplier Local	come around, we will consider this as an optic 36 As renewals/refreshes come around, we will consider this as an optic Annual spend FY18/19 N/A
Question 5 Question 6 Question 7	Other (please specify) What percentage of your servers are virtualised and what virtualisation platform do you use? What percentage of your servers are virtualised Virtualisation platform and main supplier How does your organisation manage data storage? Local departmental servers In-house data centre Outsourced data centre Outsourced data centre Shared service Other (please specify) How many servers does your organisation have and are these owned or leased? Number of servers Owned or leased	Response 90% VMWare Please select 	On premise On premise N/A N/A N/A N/A Notes	Main supplier Local	come around, we will consider this as an optic 30 As renewals/refreshes come around, we will consider this as an optic Annual spend FY18/19 N/A
Question 5 Question 6 Question 7	Other (please specify) What percentage of your servers are virtualised and what virtualisation platform do you use? What percentage of your servers are virtualised Virtualisation platform and main supplier How does your organisation manage data storage? Local departmental servers In-house data centre Outsourced cloud provider Outsourced data centre Shared service Other (please specify) How many servers does your organisation have and are these owned or leased? Number of servers Number of servers Number of servers Main supplier Annual spend FY18/19	Response 90% VMWare Please select 	On premise On premise N/A N/A N/A N/A N/A Notes	Main supplier Local Local	come around, we will consider this as an optio 36 As renewals/refreshes come around, we will consider this as an optio Annual spend FY18/19 N/A
Question 5 Question 6 Question 7	Other (please specify) What percentage of your servers are virtualised and what virtualisation platform do you use? What percentage of your servers are virtualised Virtualisation platform and main supplier How does your organisation manage data storage? Local departmental servers In-house data centre Outsoured data centre Outsoured data centre Shared service Other (please specify) How many servers does your organisation have and are these owned or leased? Number of servers Owned or leased Average age of servers Main supplier	Response 90% VMWare Please select Response 140 Owned Between 1 and 5 years HP	On premise On premise N/A N/A N/A N/A Notes	Main supplier Local Local	come around, we will consider this as an optic 36 As renewals/refreshes come around, we will consider this as an optic Annual spend FY18/19 N/A
Question 5 Question 6 Question 7 Question 8	Other (please specify) What percentage of your servers are virtualised and what virtualisation platform do you use? What percentage of your servers are virtualised Virtualisation platform and main supplier How does your organisation manage data storage? Local departmental servers In-house data centre Outsourced cloud provider Outsourced data centre Shared service Other (please specify) How many servers does your organisation have and are these owned or leased? Number of servers Number of servers Number of servers Main supplier Annual spend FY18/19	Response 90% VMWare Please select 	On premise On premise N/A N/A N/A N/A Notes Annual spend - FY18/19 £110,586	Main supplier Local Local	come around, we will consider this as an optio 36 As renewals/refreshes come around, we will consider this as an optio Annual spend FY18/19 N/A
