

## Friends and Family Test – March 2022

The Friends and Family Test is a short, two question survey that has been introduced across all NHS Trusts in the Country from June 2013 and new guidance from April 2020.

The survey asks overall how was your experience of our service, and there are 6 answer responses.

The survey is for patients who have stayed in one of our wards overnight, visited the Emergency Department and Urgent Care Centres at Royal Blackburn Hospital and Burnley General Hospital, Maternity Service users, Community Service users and Outpatient attenders.
